

DataMap Adding an Individual Student to an Intervention

Adding a Student on the Student Interventions Screen

Method 1

- 1 On the **Student Intervention** screen, in the row of the student whom you want to add to an intervention, hover your cursor until icons display. Then, click .

- 2 The **Add Student Intervention** screen displays with the student's name in the **Student** field.
On the **General** tab, select a **Program** from the drop-down list.

- 3 Select a **Tier** from the drop-down list.

Note: If a template is associated with the selected program and tier, the template automatically displays.

- 4 Select options for the **Intervention Provider**, **Referred By**, **Sessions per Week**, and **Minutes per Session** fields.

Note: Fields with an asterisk (*) must be completed and saved before you can edit the template fields.

- 5 Enter a **Referral Date** and a **Start Date** in the fields.

- 6 Click **Save**.

- 7 At the bottom of the screen, enter any necessary information in the **Area of Need**, **Goal**, and **Progress Monitoring** fields.

- 8 Click **Save**.

Note: After you save an intervention, the **Attachments** tab is activated. If you want to add an attachment to an intervention, see the Managing Intervention Attachments instructional sheet.

Method 2

- 1 Click **Add Intervention**.

The **Add Student Intervention** screen displays.

- 2 In the **Student** field, enter at least 3 characters of the first or last name of the student you want to add to an intervention.

- 3 When a list of students displays, select the student.

- 4 Repeat steps 2 through 8 from Method 1.

Adding a Student on the Student Roadmap Screen

- 1 On the **Students, Standards, Student Interventions, RIMPs, Graduation Points, or Multiple Measures** screens, click the name of the student whom you want to add to an intervention.

The **Student Roadmap** screen displays.

- 2 In the **Interventions** area, click **Add an Intervention**.
