Student Groups
(Click to Edit)

Gifted
Inclusion
Group 1
Group 2
Group A
Group B

Select existing student group to edit

To select more than one student at a time to move between the AVAILABLE and SELECTED columns, click a student's name, and then with the CTRL key pressed, click another student's name. Continue as desired.

Show all students from each class to select specific students; hide to show only class names

Add a Group

Create new student group

Use this page to create groups of students.

Delete this group

Name: Gifted

Description: Gifted

Use arrows to add and remove students from the group

Check the classes that will use this group. You may also assign students to the group.
