

# Creating Online Activities (Quizzes)

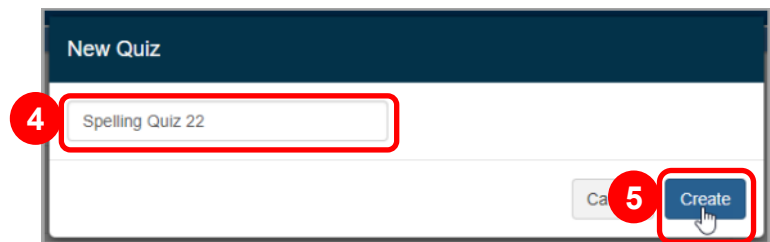

- 1 On the **Teacher Home Page**, below **Online Learning**, click **Dashboard**.
- 2 On the class to which you want to add an activity, click **Content**.

- 3 At the top right of the screen, click **Add**, then click **Quiz**.

- 4 In the **New Quiz** window, enter a name for the quiz.
- 5 Click **Create**.

Once you create the quiz, you can click its name on the **Content** screen to navigate to the quiz **Details** tab where you can enter **Instructions** and change the **Paging Option**. You can also begin adding questions (see the instructional sheets for **True/False**, **Multiple Choice**, **Multi-Answer**, **Fill in the Blank**, **Fill-in-the-Blank Drag & Drop**, **Matching**, **Essay**, and **Math Problem** questions), sections, or text/resources.
