

Unassigning and Deleting Activities

Unassigning an Activity

- 1 On the course **Content** screen, locate and click the activity you want to unassign.

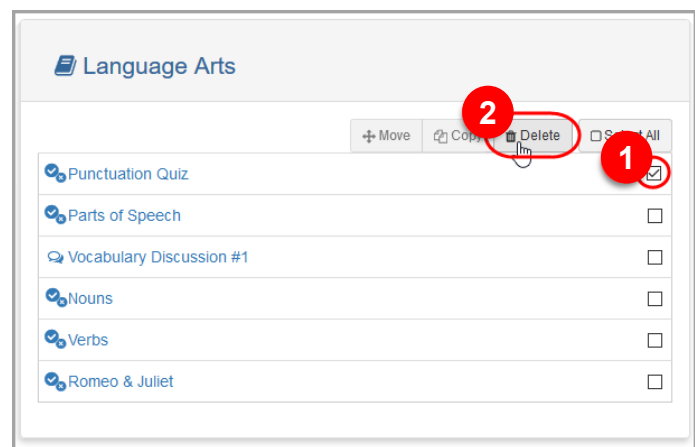

- 2 On the **Details** tab, in the **GradeBook Assignments** section below **Action**, click **Unpublish** in the row of the desired class assignment.

- 3 If any students have participated in the activity, the **Unpublish Assignment** window opens asking you to confirm that you want to unpublish the assignment. Click **Confirm**.

Deleting an Activity

- 1 On the course **Content** screen, select the checkbox in the row of the activity you want to delete.
- 2 Above the grid of activities, click **Delete**.

Deleting an Assignment Linked to an Activity

You can delete an assignment linked to an activity in the same way you delete any other assignment in GradeBook. At the right of the **Class Dashboard**, on the **Assignments** tab, click the name of the assignment you want to delete. On the **Main** tab, click **Delete the Assignment** and confirm it.
